

# **Synastry Report**

## **between**

## **Brad and Angrlina**

---

### **Introduction**

Welcome to your astrology compatibility report.

This report is based on the astrology technique of Synastry, which compares the horoscopes of two people and interprets the correlations between them.

The first part of the report analyses the mix of Qualities and Elements between you to give a general indication of your modes of behaviour.

The second part looks at the placements of each other's planets in one another's natal houses. This indicates how you influence each other in the areas of life represented by the houses occupied by one another's planets.

The third part interprets the inter-aspects between your two charts. This shows how you relate to each other. Some of these interpretations are positive and easy and others are challenging.

Your Synastry report reveals your areas of harmony and compatibility as well as your areas of tension and conflict. Hold in mind that human relationships are complex and contradictions can occur in the interpretation.

## Qualities and Elements

**Brad's strongest Quality is Cardinal and Angrlina's strongest Quality is Cardinal**  
Relationships between Cardinal personalities are dynamic and action orientated. Both of you have your own ideas about what can and needs to be done. As a pair you can achieve a lot together; however there will be struggles for dominance in the relationship. In this pairing we have the modern day 'power couple'.

**Brad's strongest Element is Earth and Angrlina's strongest Element is Fire**  
Relationships between Fire and Earth personalities can be mutually advantageous. Angrlina is enterprising and outgoing, whereas Brad is security conscious and cautious. Brad benefits from the opportunities that Angrlina creates and she, in turn, benefits from his common sense and ability to provide material protection. Problems can arise between you, however, if Angrlina becomes frustrated with Brad's lack of imagination, or if Brad can't cope with Angrlina's constant need for change and excitement.

## Brad's Houses

### Angrlina's Planets in your Houses

#### **Her Sun is in your 7th House**

This is a classic partnership combination. You recognise just how important Angrlina is in your life. It is as if you and she are meant for one another. She lights up your life and shows you what relationships are all about - for better or worse.

#### **Her Moon is in your 4th House**

Domestic affairs are central to your relationship. Your family backgrounds and upbringings may have been similar. She shares similar family values to you. She instinctively understands your emotional needs and vice versa. She also remembers the same things you do.

#### **Her Mercury is in your 7th House**

You think of Angrlina as your partner and personal sounding board. There are things that you can say to her that only she can understand and appreciate. You are attracted

to her intelligence and way of thinking. She stimulates you mentally and there is an ease of communication between you.

### **Her Venus is in your 8th House**

There can be issues to contend with concerning joint resources and finances. It is important to establish some guidelines with regards to expenditure and to avoid high risk activities or investments. On the personal front, she can help you come to terms your most personal fears and anxieties.

### **Her Mars is in your 4th House**

She is sure to make her presence felt in the home. She will naturally take charge of domestic affairs or chores and organise how things should be done around the house. She has strong views on family relationships and conflicts among family members is possible. Living with her is never boring.

### **Her Jupiter is in your 4th House**

This is someone you can take home to meet the folks and family. She fits right in and, before you know it, she has everyone eating out of her hand. You feel relaxed in each other's company and you both enjoy the simple things in life, like cooking or doing crosswords together.

### **Her Saturn is in your 8th House**

Money is an ongoing problem between you. She may try to control your joint finances, which can cause feelings of anxiety or resentment between you. There is a risk of financial hardship or getting into debt. Running a business together might not be a good idea.

### **Her Uranus is in your 11th House**

Your friends are simultaneously fascinated by and unsure of what to make of Anglina. They see her as someone who is independent and freedom-loving but also unpredictable and possibly unreliable. She probably won't come between you and them, but she will definitely keep them intrigued and guessing.

### **Her Neptune is in your 12th House**

Anglina appears sympathetic to your deepest fears and anxieties; you feel that you can confide in her and assume that she will be discreet. You want to let her in on some of your secrets; however it might be a good idea to get to know her a whole lot better before you reveal too much of yourself. Good relationships are built on trust and honesty.

**Her Pluto is in your 10th House**

Through Angrlina's influence you could change your direction in life quite dramatically. You may feel compelled to quit your job or change your career. She is a very persuasive individual who has an uncanny ability to assess what is happening in your life. She seems to know what works for you better than you do yourself - liken her to a manager or agent. Negatively, she could try to control how you live your life.

**Her Moon's North Node is in your 12th House**

Through her ideas and actions she teaches you the value of getting time out occasionally, in order to re-establish your inner composure.

**Her Ascendant is in your 8th House**

When it comes to getting you to shine a light on the inner recesses of your mind she has a knack for switching on the right torch. She has insights that somehow make sense to you.

**Her Midheaven is in your 4th House**

She has similar domestic goals as you. She understands how important home and family-life are to you.

## Angrlina's Houses

### Brad's Planets in your Houses

**His Sun is in your 5th House**

Let the good times roll. You have fun together and quickly learn how to make each other happy. You feel good in one another's company. He can unlock the doors to your creative talents and lead you on the road to self-discovery. Children may be an important aspect of your relationship.

**His Moon is in your 6th House**

It is possible that you met Brad through your work. He may feel emotionally connected to the type of work you do and want to help you with it. He has an instinct for your personal and professional needs. You couldn't ask for a better or more devoted personal assistant.

### **His Mercury is in your 6th House**

You and Brad spend a lot of your time together talking about work and employment matters. You may work together or have areas of expertise in common. You are concerned with the practical things in life and often discuss general health and dietary habits with each other.

### **His Venus is in your 6th House**

He is genuinely supportive of you and can make you feel good about yourself in areas that you sometimes feel weak or insecure. He enjoys helping you with chores or work-related matters. Overindulging in the good things in life can have detrimental effects on the health of both of you - exercise moderation when you know it's necessary.

### **His Mars is in your 6th House**

He may enthusiastically embrace the type of work you do and even help you with it in some capacity. However, he may have expectations of you that you find hard to meet. If this happens, watch that he doesn't come to think less of you and begin to act against you. Unfortunately, you tend to be in a weakened position and your health could suffer.

### **His Jupiter is in your 9th House**

He thinks like you - how good is that? In Brad, you have someone who shares similar philosophical and spiritual beliefs. You make plans together and have those deep and meaningful discussions that continue well into the night. It would be hard to think of a better travel or holiday companion, because you have similar interests and tastes for adventure.

### **His Saturn is in your 7th House**

You have to ask yourself: "Is this the person I can see myself spending the rest of my life with?" Answer this question honestly, because if you have any doubt it's not without good reason. He certainly has the potential for being around for the long haul; however once he has settled in he can't help but take control of the relationship and you with it.

### **His Uranus is in your 2nd House**

Get used to the idea of instability in your financial life with Brad around. His attitude towards money may give you reason for concern, particularly if you are a security-conscious sort of person. He is unlikely to place the same value on possessions or wealth as you and may have off-beat or unusual ways of earning a living.

### **His Neptune is in your 4th House**

Brad tends to feel a bit uncertain and insecure about family and domestic matters. He may come across as evasive to your family members, when in fact he's sensitive and

possibly even shy around them. He finds it difficult to put down roots and may be unsure of his own ancestral history. Your dream home together may be just that - a dream.

### **His Pluto is in your 2nd House**

If you like it or not he has a way of rocketing you out of your security comfort zone. He forces you to transform your ideas about money and possessions. Through his influence you could become quite well off or quite the reverse.

### **His Moon's North Node is in your 12th House**

Through his ideas and actions he teaches you the value of getting time out occasionally, in order to re-establish your inner composure.

### **His Ascendant is in your 5th House**

Every now and then someone comes along who we feel instantly attracted to; Brad is such a person. His personality hits just the right chord in your heart. You can't help but feel close to him. You know you can have fun together.

### **His Midheaven is in your 3rd House**

He really knows how to get through to you. He understands the way you think and enjoys having intellectual conversations with you. He has a knack for getting you to open up and talk.

## **Aspects**

### **Brad's Sun is Opposition Angrlina's Mercury 3°32' S**

This is a testing combination within a relationship. A challenging aspect between the Sun and Mercury makes for tense communications and misunderstandings. You tend to agree on some things and strongly disagree on others. As a team, you come across as two people who have quite different outlooks and opinions about things. One of you may tend to dominate the thinking of the other or take the lead in discussions and decision-making.

### **Brad's Sun is Sextile Angrlina's Uranus 2°56' A**

One of the things that attracted you to each other is your mutual sense of fun. You love spontaneity and giving each other surprises. You are both up for new experiences and get a kick out of trying new things together. Other people like being around you because of the positive way you 'spark off' of one another.

**Brad's Moon is Opposition Angrlina's Venus 5°19' A**

Even challenging aspects involving the Moon and Venus work well in a relationship. They intensify your attraction for each other and deepen your desire for unity. You have strong feelings of love for one another and a readiness for commitment. About the only thing you need to be careful of is a tendency to smother one another or to come across as needy and emotionally dependent.

**Brad's Moon is Square Angrlina's Jupiter 5°24' S**

The difficult aspects between Jupiter and the Moon are not usually too demanding. In general, you both desire the same fundamental things in a relationship: emotional harmony, mutual respect and the ability to advance and prosper in life together. You are honest with one another and you both want to make the other as happy as possible. Some problems can arise over philosophical differences, extravagance or displays of indifference and neglect. Otherwise, this is a good relationship combination.

**Brad's Moon is Opposition Angrlina's Saturn 5°27' S**

Expect emotional dissatisfaction with this planetary combination. You find it difficult to get close to each other. One of you tends to be very sensitive and the other can be stand-offish and controlling. The former often feels that their feelings are held in check by the more saturnine partner. This can cause disharmony between you and within the domestic environment. Interference from outside influences, such as other women or family connections, can put your relationship under pressure. Emotional and physical distance can occur and eventually lead to estrangement or separation.

**Brad's Moon is Square Angrlina's Uranus 5°58' A**

One - or both - of you knew from your first contact that something would develop between you. Intuition plays a strong part in your relationship. You hold a fascination for one another and delight in being unpredictable with each other. Your living arrangements are likely to be unconventional and you enjoy keeping others guessing about the nature of your relationship. Both of you value personal freedom and you know when to give each other time out or breathing space.

**Brad's Moon is Square Angrlina's Midheaven 4°57' A**

A dynamic aspect between the Moon and the Midheaven is significant; it is a sign of deep emotional inter-connectedness. There is great affection between you; however you can get annoyed and fed up with each other for short periods of time.

**Angrlina's Moon is Square Brad's Mercury 3°01' A**

This can be a testing combination in a relationship. There are communication difficulties caused by a lack of sensitivity or understanding. The problem lies in the tendency of the

more rationally inclined one of you to over-analyse the more emotional one's feelings rather than trying to relate to them instinctively. In turn, the more emotional partner is disinclined to approach issues affecting the relationship calmly and rationally.

#### **Brad's Mercury is Square Angrlina's Mars 5°24' S**

You have a particularly fiery dynamic between you. Heated arguments and quarrels are commonplace. You tend to get impatient with one another and can be quite cutting in your remarks. Also, you can both be inclined to sarcasm and colourful language. You are generally direct in your communications to each other, but there can be a danger of dishonesty and lying.

#### **Brad's Mercury is Square Angrlina's Jupiter 1°19' A**

Whilst communication between you is generally positive and constructive there are going to be times when you disagree about things. The important thing is to be honest with each other. Keep an open mind about each other's beliefs and don't try to force your own on to one another. Take care with important joint decisions, especially if money is involved; double check documents and contracts.

#### **Brad's Mercury is Opposition Angrlina's Saturn 1°17' A**

Anticipate communication problems between you. There are misunderstandings caused by inattention or not listening to one another. Problems are likely, too, from nagging and nit-picking. You need to make every effort to respect one another's viewpoints and avoid making negative comments if you disagree with them, otherwise you will become frustrated and create barriers between each other.

#### **Brad's Mercury is Square Angrlina's Midheaven 1°46' S**

Work and domestic matters are common subjects of conversation between you. There's always something going on in the home; be it people routinely coming and going, entertaining friends or sorting out family problems. Occasionally, work pressures can impinge on the time you have together with family.

#### **Brad's Venus is Opposition Angrlina's Venus 4°41' A**

Your feelings for one another are passionate and intense. You are undeniably attracted to each other; however you have quite different expectations with regard to love relationships and friendships. There can be problems between you caused by one or both of you over-indulging in the good life.

#### **Brad's Venus is Square Angrlina's Uranus 5°20' A**

It is highly likely that you were instantly attracted to each other the first time you met. You immediately recognised a fellow adventurer in love. This is not, however, your

typical long-term relationship combination unless you allow each other plenty of freedom and independence. Otherwise, you will become bored with one another and start looking for excitement elsewhere.

### **Brad's Venus is Opposition Angrlina's Ascendant 5°25' S**

This combination can lead to a permanent relationship or marriage. The attraction you have for each other is real and potent. You feel and look right together. There is love and intimacy between you and a deep feeling of contentment with each other.

### **Brad's Venus is Square Angrlina's Midheaven 5°36' A**

You have a strong inner connection based on sincere feelings of love and affection. There is a sense between you that you are right for each other. You do have to work at your relationship, however, especially when work or family pressures get an upper hand over one or both of you.

### **Angrlina's Moon is Square Brad's Mars 3°03' S**

If you like stressful relationships then you are made for one another. This combination is hard work. Expect many disagreements and arguments. You have quite different approaches to life; one is highly sensitive and relates to others emotionally and the other is impulsive and insensitive to the needs of others. The latter will tend to dominate the former and stomp all over their feelings. There is the tendency for you to strike out at each other in frustration or anger.

### **Brad's Mars is Square Angrlina's Mars 0°41' A**

You aggravate and anger one another with regular frequency. Anticipate frequent arguments and quarrels. Neither of you likes being told what to do by the other. You both assert and defend your right to do your own thing and to act independently. You can achieve a lot together, but you will scrap over how things are supposed to be done. Physical fights are also possible.

### **Brad's Mars is Square Angrlina's Pluto 3°30' S**

If you can harness your two wills, you can achieve a great amount together. You have the combined power to accomplish significant results in any enterprise you undertake in unison. However, you need to control your individual ego-drives and concentrate on working as a team. Otherwise, there may be intense clashes, power struggles and the risk of blowing your relationship apart. Some give and take is required. Serious problems can surface if one of you attempts to control and manipulate the other.

### **Angrlina's Sun is Sextile Brad's Jupiter 3°35' S**

This is an essentially positive planetary pairing for two people to have between them. As a couple - or even as business partners - this aspect encourages individual and combined growth. Together, you are motivated by a strong urge to expand in life and to broaden your horizons. By applying yourselves, you have the ability to successfully advance your material, social or spiritual aspirations.

### **Angrlina's Moon is Conjunct Brad's Jupiter 3°15' S**

Your feelings towards one another are open, honest and positive. You both know what makes the other feel good and happy. Your personal dynamic is one of mutual kindness and consideration for each other's needs. You know how to enjoy life and are fond of social occasions. You share similar philosophical and religious outlooks. Travelling together is generally a pleasure.

### **Angrlina's Mars is Conjunct Brad's Jupiter 0°52' S**

You are a productive, resourceful and energetic couple. You stimulate and encourage each other. As a team, you can achieve a great deal together in your personal and professional lives. You both want success and you know what it takes to get it. Take care, however, that you don't over-extend yourselves physically or financially.

### **Brad's Jupiter is Trine Angrlina's Neptune 0°30' A**

You are sensitive and compassionate towards one another and other people. Spiritual subjects interest you both greatly and you are receptive to one another's beliefs and spiritual practices. You understand and appreciate each other at an inner level.

### **Brad's Jupiter is Opposition Angrlina's Pluto 3°19' S**

The challenge with this aspect is to respect and tolerate one another's personal beliefs and philosophical outlooks. If either of you tries to force your personal belief system on to the other against their will, there will be problems between you.

### **Angrlina's Sun is Trine Brad's Saturn 5°43' A**

This can be a stabilizing aspect within a relationship, provided it's handled well. Positively, it encourages mutual respect, self-control and thrift. As long as you show consideration for each other's needs and goals in life, your relationship should be successful. However, if one of you attempts to dampen the other's creativity or control their actions it will lead to problems and probable separation.

### **Angrlina's Mercury is Trine Brad's Saturn 3°11' A**

You are clear and concise in your communication with one another and offer each other constructive criticism when appropriate. You can work well together on joint ventures through maintaining a sense of reality and making important decisions carefully.

**Angrlina's Jupiter is Sextile Brad's Saturn 1°43' A**

This is a desirable aspect to have in a relationship because it enables you to grow and prosper in a prudent and measured way. Both of you are sensible with money and realistic about what you can and cannot afford.

**Brad's Saturn is Sextile Angrlina's Midheaven 1°16' A**

You both appreciate and strive for stability in your work and family life. You may have to be responsible for a family member.

**Angrlina's Sun is Square Brad's Uranus 3°21' S**

Your first meeting was likely to have been sudden or in a situation that was unusual to you both. The energy between you is electrifying and exhilarating. You thrive on spontaneity and change. You like giving one another surprises and challenges. Life together is always interesting. Other people find your relationship exciting and stimulating because they can see that you don't play by the rules.

**Brad's Uranus is Square Angrlina's Neptune 0°16' A**

You are spiritually and psychically attuned to each other and understand one another in a unique and special way.

**Angrlina's Saturn is Trine Brad's Neptune 0°35' S**

This aspect can be an asset in a relationship; in that it enables you both to keep things in perspective. You follow your dreams, yet don't get carried away with them; you know what is realistically possible.

**Angrlina's Sun is Square Brad's Pluto 0°48' A**

This aspect requires very careful handling because it is both a force for good and bad in a relationship. There is a reason you are together. You have been drawn to each other by some kind of undeniable attraction. The power of this aspect is its ability to transform both of your lives. Whether these changes are constructive or destructive depends on how you deal with power. It is very likely that one of you is more dominant than the other, which may cause conflicts and resentments. The test for you both is to work out a relationship dynamic that you're both comfortable with, otherwise there will be power struggles.

**Angrlina's Saturn is Sextile Brad's Pluto 3°10' S**

This combination forces each of you to confront your individual fears and inhibitions. The test, however, is not to be judgemental of each other. Be truthful with one another, but also fair and understanding; then there will be real growth between you.

**Angrlina's Neptune is Square Brad's Pluto 3°53' S**

There is a wide age gap between you, including a generational one. Your attitudes towards collective issues and spiritual matters in your personal lives and the world in general are quite different from one another.

**Angrlina's Moon is Square Brad's Moon's North Node 1°55' S**

You are able to cultivate a feeling of closeness with one another. You are supportive and devoted to each other and towards the important people in your lives. Family is important to you and strong contacts will be established with your respective family members.

**Angrlina's Mars is Square Brad's Moon's North Node 0°27' A**

You have a strong desire to cooperate with each other. However, for this to succeed you need to discourage competition between you or any inclinations one partner may have to try and dominate the other. Otherwise it defeats the purpose of teamwork.

**Angrlina's Pluto is Square Brad's Moon's North Node 4°38' S**

Special forces in your personal destinies have brought you together. There is a karmic dimension to your connection.

**Angrlina's Sun is Opposition Brad's Ascendant 1°31' A**

This is an excellent aspect for a personal relationship. The attraction between you is strong and powerful. You have come into each other's lives because you are meant to be together. This is a potential indicator of marriage. You are able to relate well to each other and come across to others as a confident couple who look right together.

**Angrlina's Moon is Trine Brad's Ascendant 1°11' A**

You relate well to one another emotionally and have the ability to sense each other's needs. You interact with one another effortlessly and find it easy to adapt when necessary. There is genuine love and affection between you.

**Angrlina's Mars is Trine Brad's Ascendant 1°12' S**

You work well together and share similar goals and ambitions. You are able to think and act as one; to present a unified front. You are eager to do things together and for one another.

**Angrlina's Jupiter is Trine Brad's Ascendant 5°31' A**

You find it easy to relate to each other and keep an open mind towards one another's personal outlooks and philosophies. One of the many things you have in common is the desire to grow and expand spiritually and materially. As a couple, you present a happy and contented face to the world.

**Angrlina's Neptune is Conjunct Brad's Ascendant 1°34' S**

You have deep feelings for one another. You understand each other at a spiritual and inner level. There is the strong possibility of psychic or telepathic communication between you. However, there can also be a danger of deception or dishonesty between you. Guard against the adverse effects that alcohol and drugs can have on your relationship.

**Angrlina's Pluto is Sextile Brad's Ascendant 5°23' S**

You channel tremendous amounts of energy into whatever you do together and have the ability to empower and transform one another. Other people are attracted to your combined magnetism; you have the ability to influence others with gentle but firm persuasion.

**Brad's Ascendant is Trine Angrlina's Midheaven 5°58' S**

The connection between you is very significant and personal. Your individual and relationship aspirations are in sync and you generally agree on matters related to home and family life.
